Telephone:

Mobile: \_\_\_\_\_ Work: \_\_\_\_\_ Home: \_\_\_\_\_

Fax: \_\_\_\_\_ E-mail: \_\_\_\_\_

License sought:      Private                  Commercial   

Training Dates Requested: \_\_\_\_\_

Flight Certificates Held (if any): \_\_\_\_\_

\_\_\_\_\_

Previous Balloon Flight Instruction (if any): \_\_\_\_\_ Total Hours: \_\_\_\_\_

Instructor(s): \_\_\_\_\_

Birth Date: \_\_\_\_\_ Male/Female      Health: \_\_\_\_\_

Deposit to reserve flight course: **\$500**. The balance is due prior to flight training.

Flight training deposits are fully refundable upon request.

Amount enclosed: \$ \_\_\_\_\_

Note:

- 1) If you are a new student without previous flight ratings, please obtain your FAA student pilot license online at: <https://iacra.faa.gov/IACRA/HelpandInfo.aspx?id=6> prior to starting the course.
- 2) Please email a copy of your current pilot's license (or student license) if you have one.
- 3) Please email a copy of your driver's license with your application to: [jim007@advflights.com](mailto:jim007@advflights.com).

# ACKNOWLEDGEMENT OF FEES

**Prepaid Package Courses:** Adventure Flights will provide the balloon equipment, business band communication radios, aircraft radios, fan, tarp, helium pi-balloons, chase truck, fuel, extra fuel tanks, and insurance.

The basic rate for the Private Pilot or Private Pilot Add-On Rating Course is **\$4,395** and covers 10 hours of ground instruction and 8 hours flight training. The basic rate for the Commercial Pilot or Commercial Pilot Add-On Rating Course is **\$4,595** and includes 10 hours of ground instruction and 10 hours flight training. Most ground and flight training are conducted at the launch field. The student will be required to spend approximately 20-25 hours of home study during or prior to starting the course.

If the student requires more than 10 hours of ground instruction, additional ground school instruction rates are \$35 per hour. If the student requires more than 8 hours of flight instruction for the Private, or more than 10 hours of flight instruction for the Commercial, additional flight training hours are billed the following rates depending on the size (AX Category) of training balloon chosen: \$400 for AX6's, AX7's, \$450 for AX8's, and \$500 for AX9's or larger. 2.5% will be added to credit card payments to cover the bank fees incurred in processing the credit card.

**Student Owned Balloon.** If the student is training in their own balloon, they must supply their own balloon equipment consisting of communication radios, aircraft radios, fan, tarp, helium pi-balloons, chase truck, fuel, extra fuel tanks, and insurance:

Instructor Rate: \$150 per flight hour.

Ground Crew Rate: \$75 each per training flight

**FAA Check Flights:** The check ride with an FAA Inspector is free and includes the use of the balloon and crew with the prepaid course. If the student uses a Private Designated Examiner, he must pay the Examiner's fee directly to the Examiner. His fee is approximately \$300-\$350.

**Damage Policy:** During training dual, solo, or the checkride flight, in the unlikely event the balloon is damaged by the student, i.e. burned skirt, burned or torn envelope, etc., the student shall be responsible for paying for the repairs to the balloon and/or equipment. If fabric replacement is needed for a repair, the damaged fabric shall be replaced seam to seam, horizontally and vertically.

By signing below, the student acknowledges that he understands the fee structure indicated above and understands his financial responsibility in the event he causes damage to the training balloon and/or equipment.
